

REACH Certificate of Compliance

Green Watt Power supports the goals of REACH (Registration, Evaluation, and Authorization of Chemicals), which is consistent with our own commitment to the responsible use and handling of chemicals.

To the present and best of our knowledge and based on information provided to us from our suppliers, products sold by Green Watt Power do not contain any of the 169 Substances of Very High Concern (SVHC), published on June 20th, 2016 by the European Chemical Agency (ECHA) with a concentration higher than 0.1% per article, where the definition of “article” is consistent with the EU High Court ruling of September 10th, 2015.

For the current list of Substances of Very High Concern, updated on 06/20/2016 see the below URL:
