REACH/SVHC COMPLIANCE

Xsis Electronics, Inc. specializes in the design and manufacturing of high reliability hybrid microcircuit crystal oscillators for Military, Space, Telecommunications and Industrial applications. Our parts are hermetically sealed in metal or ceramic packages. Because of the light weight and small size of these parts, our entire production in any given year does not exceed 1 ton.

We hereby certify that all products supplied by Xsis Electronics, Inc. do not contain more than 0.1% by weight any of the REACH Substances of Very High Concern (SVHC), as specified in the latest list dated June 20, 2016 under Regulation No. 1907/2006.

Mohan Gupta
