## RoHS 2 COMPLIANCE

Xsis Electronics, Inc. specializes in the design and manufacturing of high reliability hybrid microcircuit crystal oscillators for Military, Space, Telecommunications and Industrial applications. Our parts are hermetically sealed in metal or ceramic packages.

We hereby certify that all products manufactured by Xsis Electronics, Inc. are in compliance with the requirements of RoHS 2 directive 2011/65/EU.

The standard finish of external terminations of our products is gold over nickel. At customer request Xsis can provide terminations that are hot solder dipped in SN60/Pb40 solder.

Mohan Gupta

A handwritten signature in black ink, appearing to read 'M Gupta', is written over the printed name.
