The REACH chemicals regulation stipulates as follows:

"REACH, the new EU chemicals regulation, requires that chemical substances on their own, in preparations and those which are intentionally released from articles have to be registered to the European Chemicals Agency (ECHA). The regulation applies to substances manufactured in, or imported to the EU in annual quantities of 1 tone or more per company, unless the regulation indicates otherwise."

Baran Advanced Technologies supplies your company with various Piezoelectric Switches.

The total annual weight shipped to you was in 2021 considerably less than 50 kg.
