ROHS&REACH Compliance Declaration

Guangzhou Top Power Electronics Technology Co.,Ltd(TOPPOWER) declares that all materials, components, delivered to customer shall conform strictly to the specifications in the Very High Concern (SVHC) in view of Regulation 1907/2006/EC (REACH), except customer special requirements.

All TOPPOWER products that are compliant with the RoHS Directive (EU Directive 2002/95/EC + 2011/65/EU + Delegated Directive (EU) 2015/863 amendment Annex II),except customer special requirements.

In June 2007, the European Union Regulation (EC) 1907/2006 concerning the Registration, Evaluation, Authorisation and Restriction of Chemicals (REACH) was first released. This Regulation establishes specific duties and obligations for companies in the European Union (EU) that manufacture or import substances on their own, in preparations, or in articles.

Under the structure of the REACH Regulation, TOPPOWER do not manufacture or supply “substances” or “preparations” and our articles do not involve the “intentional release of substances”. Accordingly, we foresee no registration or pre-registration requirement for the products we supply to you. TOPPOWER is constantly monitoring the substances of very high concern (SVHCs), as defined by REACH, in our products. This will be an on-going process since the complete list of SVHCs will be released in stages. As REACH regulation is updated frequently, for the major changes afterwards, such as the addition of SVHC substances into Annex XIV, the addition of restricted substances in Annex XVII, The customers are encouraged to visit the following site to get the most up to date information on current list of SVHCs under REACH:

Annex XIV : <https://echa.europa.eu/candidate-list-table>

Annex XVII : <https://echa.europa.eu/substances-restricted-under-reach>

TOPPOWER reserve all the right for the final explanation
