

## REACH compliance statement

Dear Business Partner,

REACH is a regulation of the European Union, adopted to improve the protection of human health and the environment from the risks that can be posed by chemicals, while enhancing the competitiveness of the EU chemicals industry.

e-peas certifies that e-peas manufacturing and assembly partners are in compliance with, and conform to the European Union's regulation N1907(2006 "REACH" (Registration Evaluation Authorization and Restriction of Chemicals)).

e-peas believes to the best of its knowledge that the above statements are accurate as of the date of this certification and the statements and certifications of suppliers or service providers that manufacturing companies may have relied upon in the preparation of this statement.
