## Sponsorenpost Kamaka 2024

On today's #sponsoringsunday we would like to introduce and thank our sponsor Kamaka.

Kamaka is an established distributor for well-known manufactures. They provide their customers with competent and qualified consultation and with a reliable application support to all their products. You can tell Customer satisfaction is a big priority to them.

You can find Kamaka in many different Divisions for example the Hi-Rel Business, Power Management, E-Mobility, IoT- and Obsolescence Solutions.

Their headquarter is located in Aalen, Germany but Kamaka is also presence in Austria, Switzerland, Denmark, Netherlands, Belgium, Luxemburg, Czech Republic, Hungary, Polanda and Turkey.

Kamaka was significantly involved in many different projects such as the Luna Mission or eROSITA, but they can not only be find in space projects.

A big thanks to Kamaka for their generous support and sponsorship and for providing us the DCDC!
